

**Conditions of Publication**

1. The correspondence authors have copyright and are entitled to submit the manuscript for publication. All coauthors have been informed of the contents of the paper and its submission. The citation of unpublished results of other research groups has been authorized by them.
2. With the acceptance of the manuscript for publication WILEY-VCH Verlag GmbH & Co. KGaA acquires exclusively for three years from the date on which the article is published and thereafter for the full term of copyright, including any future extensions, on a non-exclusive basis all publishing rights including those of pre-publication, reprinting, translating, other forms or reproduction e.g. by photocopy, microform, or other means including machine-readable forms like CD-ROM, CD-I, DVD, diskettes, electronic storage and publishing via Local Area Networks, Intranet and Internet and other data networks and other forms of distribution e.g. by Document Delivery-Services of this article world-wide. This includes the right of WILEY-VCH Verlag GmbH & Co. KGaA to transfer to third parties the partial or full rights. Moreover, the provisions of laws of the Federal Republic of Germany apply.
3. Each author reserves the following rights:
  - All proprietary rights other than copyright, such as patent rights.
  - The right to share with colleagues print or electronic preprints of the unpublished Contribution, in form and content as accepted by WILEY-VCH for publication in the Journal. Such preprints may be posted as electronic files on the Contributor's own website for personal or professional use, on the Contributor's internal university or corporate networks/intranet, or secure external website at the Contributor's institution, or on e-print servers used by the scientific community, but not for commercial sale. Prior to publication, the Contributor must include the following notice on the preprint: "Submitted to/accepted for publication in physica status solidi (a/b/c) (C) (year) WILEY-VCH Verlag GmbH & Co. KGaA, Weinheim". After publication of the Contribution by WILEY-VCH, the preprint notice should be amended to read as follows: "Published in [include the complete citation information for the final version of the Contribution as published in the print edition of the Journal]", and should provide an electronic link to the Journal's WWW site, located at the following URL: <http://www.interscience.wiley.com/>. The Contributor agrees not to update the preprint or replace it with the published version of the Contribution.
  - The right, after publication by WILEY-VCH Verlag GmbH & Co. KGaA, without charge, to use all or part of the article and abstract in oral presentations, in compilations or other publications of the author's own works, and to photocopy or to transmit online or to download, print out and distribute to a colleague a copy of the published. Contribution in whole or in part, for the Contributor's personal or professional use, for lecture or classroom purposes, for the advancement of scholarly or scientific research or study, or for corporate informational purposes.
  - If the article has been prepared by an employee within the scope of his or her employment, the employer reserves the right to make copies of the work for its internal use.
